

On the 1st & 3rd Fridays of the month from 2pm to 4pm, representatives from the Columbus Public Health Department will be offering free health screenings at SouthPointe.

They will be checking blood pressure and blood sugar as well as providing health education. Topics include healthcare, vision, dental, job health, smoking cessation, and more!

Please feel free to stop by their table to discuss all of your health concerns.

For more information please contact the South Side Pride Center at (614) 645-8097.
